

HOCHSCHULE OSNABRÜCK

UNIVERSITY OF APPLIED SCIENCES

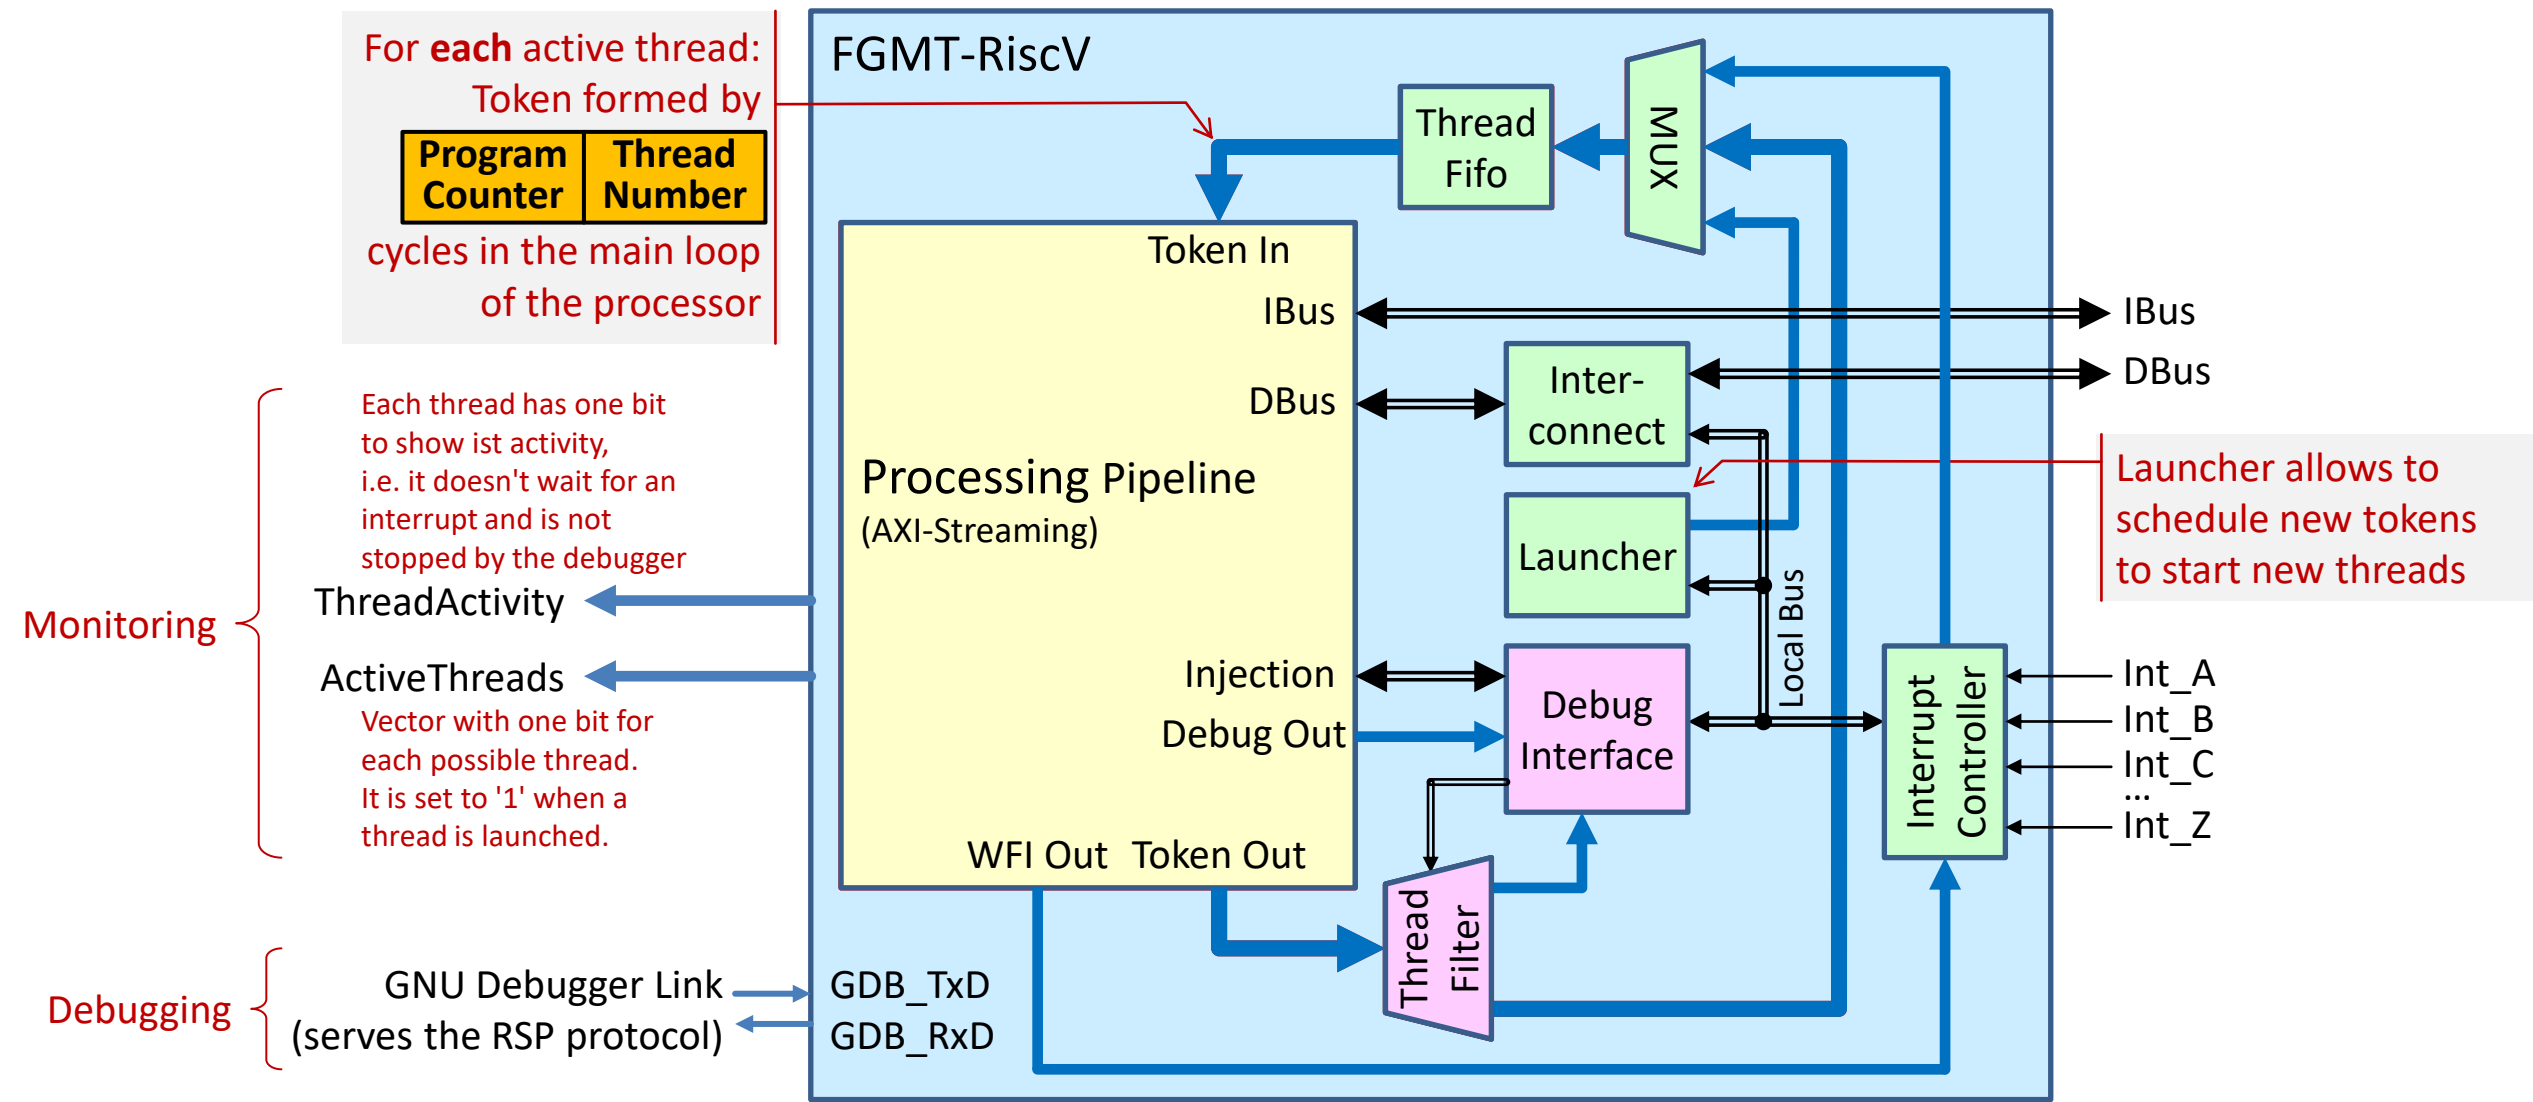

Demo of the **FGMT-RiscV** running on an **FPGA** evaluation board with a **live GDB** debug session

Prof. Dr.-Ing. Bernhard Lang

B.Lang@hs-osnabrueck.de

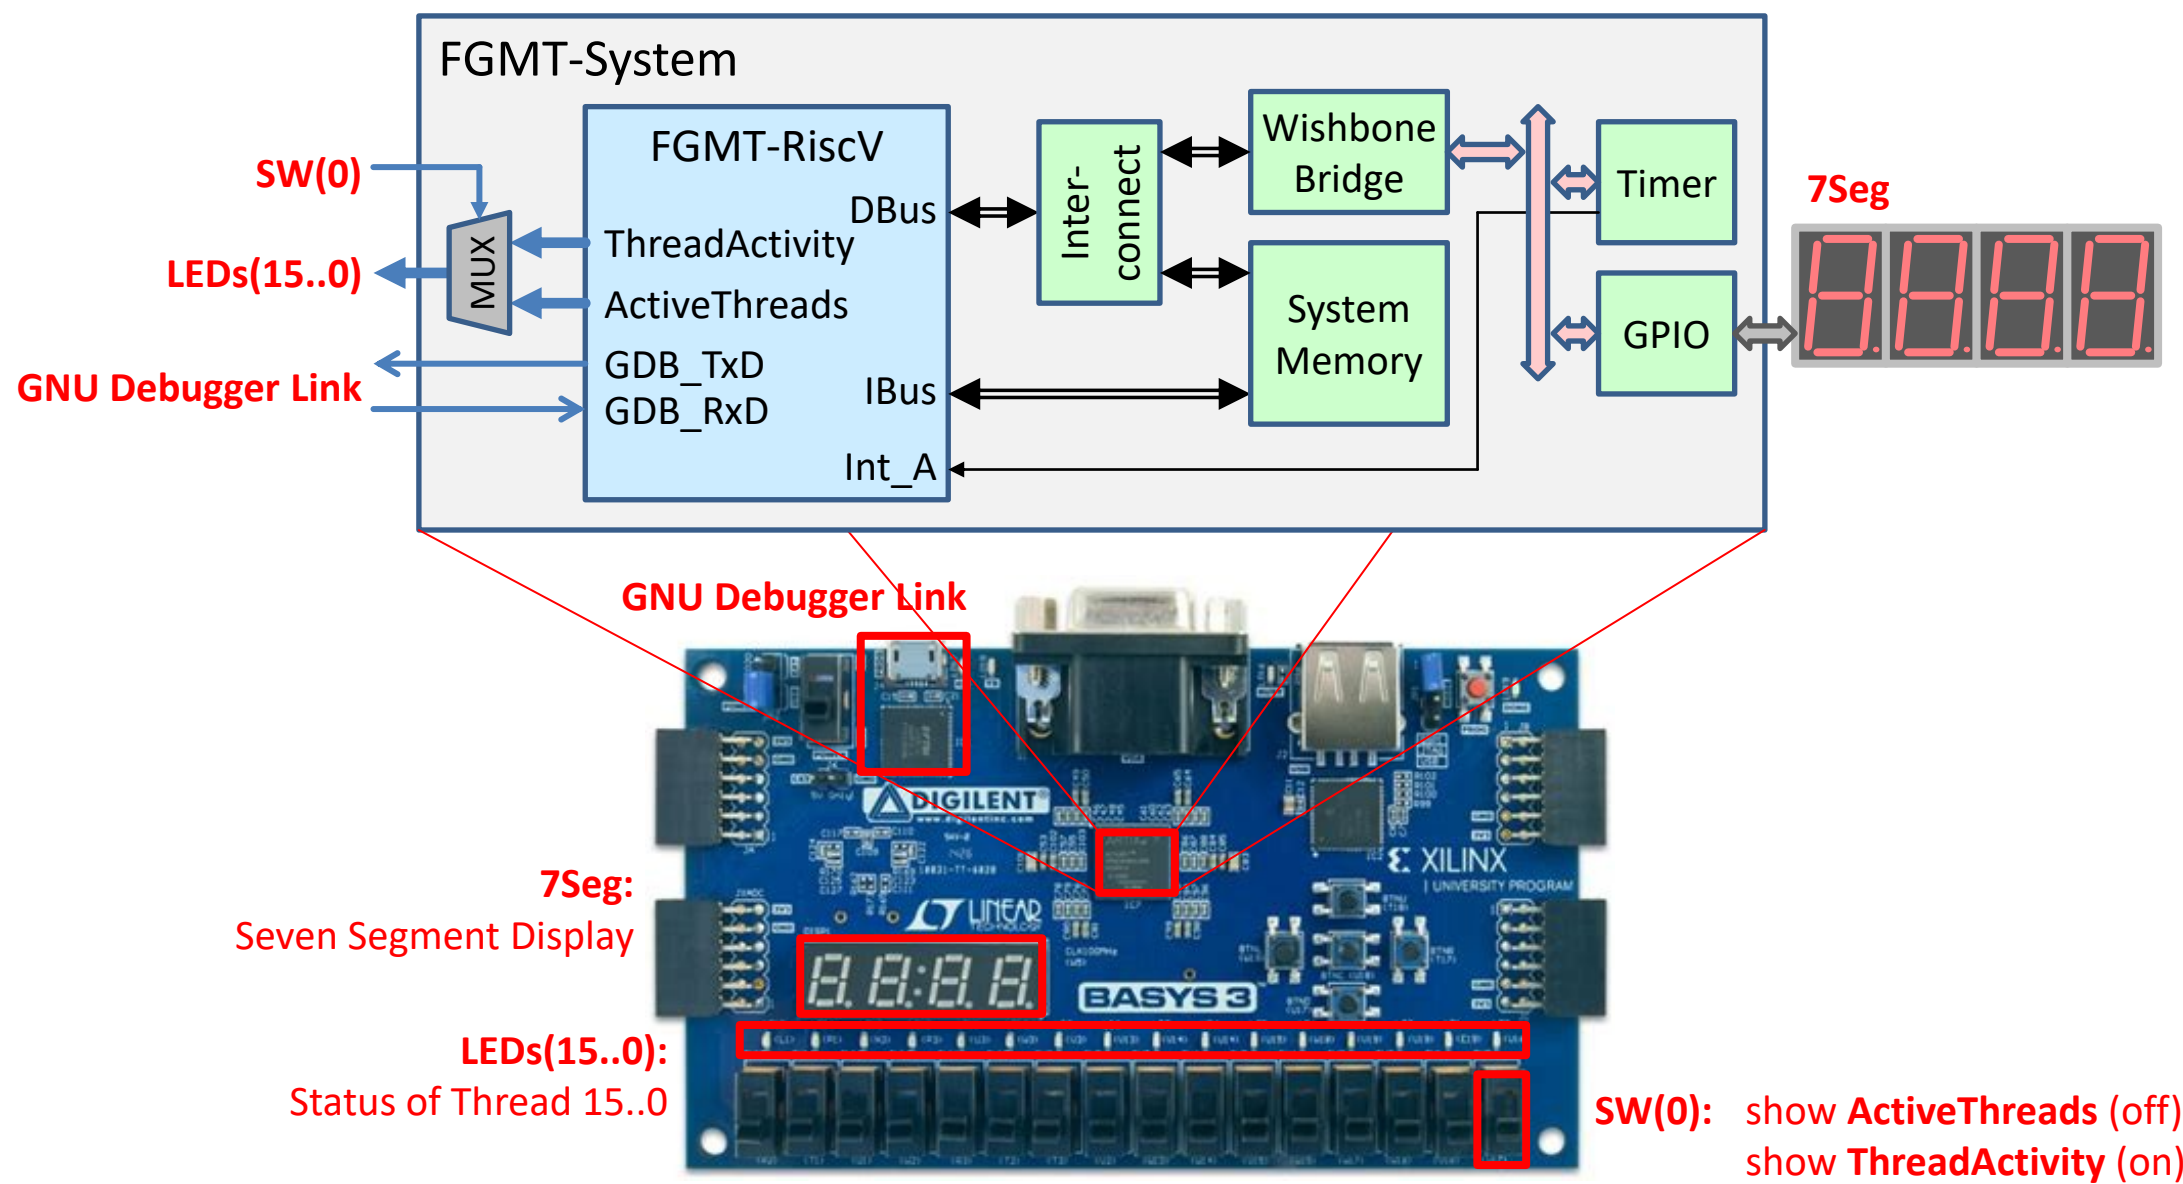

The Fine Grained Multi Threading Risc-V processor:

See poster: FGMT-RiscV: A fine grained multi threading processor for FPGA systems

The demo system:

The demo software:
